

## Dear Parents and Dancers -

We were contacted by Hope Community Church that they were not able to hold up their end of our contract for our June Recital due to The City of Olmsted Falls tax assessment demands, which closed down the venue.

John and I worked diligently and found a venue to hold our Recital. We were very fortunate to have found a location that had the exact dates available that we had booked at Hope Community Church.

Our Recital dates are the same but the location has changed. Please note that the location is now at the Middle Stage in Medina at the Medina PAC & High School. This is only 20 minutes from the I71/Pearl Rd Exit.

We apologize for any inconvenience this has caused. We were blindsided by this turn of events but have rectified the situation and are right on track.

Thank you for your patience. We will now be able to get ready for ticket sales. Ticket sale dates will be released very soon, There are plenty of seats and there are still no limit on the amount of tickets you may purchase.

Regards,  
Nancy & John Hightower
