RECITAL 2018:

June 8, 9

Dress Rehearsal June 7 (mandatory)

Hope Community Church

Hair Tutorials:

We have certain days in the near future when you can come to the studio to observe how the dancers will wear their hair for the Performance. We do have specific hair and it is important for you to know how it is done and to practice at home. We will have different days for you to choose to attend the Hair Tutorial.

Picture Day:

We will have a studio picture day late May, early June. You do not have to purchase the pictures of your dancer's class number, but it is very nice if everyone from each class attends so that those purchasing the picture have everyone in their class with them.

Pictures:

During the June Performance you will **NOT** be allowed to take pictures of the dancers performing, but you will be allowed to take pictures during Dress Rehearsal but **NO FLASH!!!** The flash blinds the Dancers for a split second and that is very dangerous when they are up on the stage.

Videotaping – There is absolutely **NO** videotaping during our 2018 Performance. We have hired a professional to video tape the performance. (violators are escorted out of the theater)

***You will be allowed to take video during Dress Rehearsal

Tickets – Tickets will be on sale late April. There are **NO REFUNDS** once your ticket is bought, so please check your calendars closely as to which day you and your family will be attending. Friends are also encouraged to attend!

*** There **IS** an exchange fee of \$5.00 per ticket if you need to change days or seats.

Performance T-Shirts – We will have t-shirts for sale with our performance theme on them. These shirts are a great way to show your studio pride.

Spring Break:

March 30-April 6. Classes (and Dance Company) Resume Saturday April 7.

Fun Hair Week:

March 12-17 Show us your **FUN HAIR!!!**

If you have any questions please stop by the front desk. If they cannot answer your question Mrs. Hightower will get back to you asap!
